DRUG AND ALCOHOL POLICY

Animal Supply Company (ASC) & Pet Zoo (the Company) are committed to producing products of the highest quality and providing a safe and productive work environment for employees. Consistent with this commitment is our policy to maintain a drug and alcohol-free workplace. To help maintain this environment, we have implemented a pre-employment drug screening program. Under this program, all job applicants and temporary employees may be required to submit to a urinalysis exam conducted by an independent laboratory of our choice. A negative result will be a condition of employment. Any applicant or new hire that tests positive will be ineligible to work and may not reapply for a position within six months.

By signing below, I hereby consent to testing for the presence of unauthorized drugs and alcohol, and I authorize the release of the test results to the Company. I also authorize the Company, the laboratory, to obtain any necessary medical information from my physician, treating hospital, or other treating health or substance abuse professional. I hereby release the Company from any and all claims, demands, or liabilities that may arise in connection with the administration of the test or use of the test results.

I fully understand that any offer of employment or temporary placement is contingent on my successfully passing the screening process, and that any misrepresentation or attempt to tamper with the sample submitted may be grounds for disciplinary action, including dismissal, if I am employed or temporarily placed.
